*In Loving Memory of*

*Silky Ilias*

*(March 31, 1982 - September 30, 2006)*

*We little knew that morning, God was going to call your name, In life we loved you dearly, In death we do the same. It broke our hearts to lose you, You did not go alone. For part of us went with you ..the day God called you home. You left us beautiful memories, Your love is still our guide, And though we cannot see you, You are always at our side. Our family chain is broken, and nothing seems the same, But as God calls us one by one, Our Family chain will link again.*

*We Love & Miss You Silky*

**This memorial website was created to remember our Angel, our Daughter, our Sister, our Cousin, our Grandaughter, our Best Friend....Silky Ilias who was born on March 31, 1982 in Queens New York and became a true Guardian Angel and received her wings on September 30, 2006 at the age of 24. Our precious angel you will forever live in our hearts, thoughts and memories.**

**Silky, there's never a day, hour or minute that we don't think of you and wish that God had given us more time to be with you, because you made a difference in all of our lives and held a special spot in all of our hearts.**

**We lost a truly unique, one of a kind person when we lost you.**

**You had a smile that lit up a room, you were a beautiful person... everyone who knew you loved you. You had a great heart, everyone meant the world to you.**

**You were the full package.. so full of life, energy, beauty & love.**

**Although you are gone you will never be forgotten.**

**Saying goodbye to you was the hardest thing we have ever had to do.**

**We miss you,**

**We love you silky... You are at peace now... no more pain.. no more heartache.. no more sorrow.. You can rest and enjoy heaven... We know one day we will all be together again.**

**You were always a Angel... And now you have your wings, Your flying up above watching over all of us with love.**

**Do not stand at my grave and weep;  
I am not there. I do not sleep.**

**I am a thousand winds that blow.  
I am the diamond glints on snow;  
I am the sunlight on ripened grain;  
I am the gentle autumn rain.  
When you awaken in the morning's hush  
I am the swift uplifting rush  
Of quiet birds in circled flight.  
I am the soft stars that shine at night.**

**Do not stand at my grave and cry;  
I am not there. I did not die.  
**Rest In Peace Silky.****

Two roses are positioned in the upper right quadrant of the image. They are rendered in a soft, painterly style, appearing to emerge from a misty or smoky background. The roses are light-colored, possibly cream or pale pink, and their petals are delicately detailed. The overall background is a textured, mottled brownish-gold color, giving the impression of aged parchment or a soft-focus photograph.

### ***Aunt Debbie***

Silky, As I sit here and look at this page, it tears the heart out of me, that I cant truely accept that you really are gone, and that I will never see you again. The pain that I feel hurts so much that theres nothing that I can do to bring you back.

You were a piece of my heart that can never be replaced or forgotten, and I look forward to the day that we can be together again in heaven where theres peace and no more pain. I love you & I Miss you More then you could ever know. You were a daughter to me... Rest In Peace Silky

### ***Grant "jorge" Deaton***

There isn't room enough on these pages to share my memories of Silk and I. I moved to wilmington just two years ago, I met Silky my first night in town. From that first meeting a great friendship grew. Last summer was the time of my life. Silky, Rae Rae, and myself spent so much time together. If I had a nickel for everytime she made me smile I could die a rich man. It's just amazing to me that you aren't here. You won't be here this summer. My life will never be the same now that you are gone, but I am so happy, so glad that I got to know you. I'm so happy we spent all that time together. Right, I know babies. Sorry about the meat hook but I warned you. What I wouldn't give to have a fish hook right now. Perhaps a poke in the side? It says Born and died on this page. You know you will live on forever in the hearts, mind and souls of those you left behind.

Love you always,

Jorge

### ***Olivia Gorman***

I didnt know silky, but it is a shame a soul like this had leave so quickly. If we only knew what we could

have done. Silky rest in peace girl, let your soul fly as high as you want it to go. your free now, free from hard times, free from rough words, and from cold hearts. Know that you will always be loved by the people who truly matter. On gossmers wings you fly, Only hope follows you now. take care.
